EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims :

In claim 14, line 2, after "ground", insert --voltage--;

In claim 20, line 2, change "a" (second occurrence) to --the--; and

In claim 21, last line, change "first" to --second--.

The above changes have been made to correct typographical errors.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach a driver set for a cross point memory array comprising a plurality of line driver groups, each having N line drivers; memory cells each with a width W; wherein the line driver group having a width not greater than $N \times W$, as required by device claim 1. The prior art further does not teach a cross point memory array comprising a plurality of line driver groups stacked in a first direction, and coupled to a primary and a secondary decoder; wherein the size of the plurality of line driver groups in the first direction is less than or the same as the size of the memory array in the first direction, as recited in apparatus claim 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
